Dear Ms. Seaman:

After reviewing our records, the Financial Management Center's records and the records of Brad Bradley the EPA Project Officer, we are closing out the above-referenced Interagency Agreement. The project was satisfactorily completed, and there is a remaining balance of \$6,206,167.84. If your records do not agree with ours, please contact this office to clarify the balance. If we do not hear from you within 15 working days, close-out will proceed. Our mailing address is:

U.S. Environmental Protection Agency
Acquisition and Assistance Branch
77 West Jackson Boulevard (MC-10J)
Chicago, Illinois 60604

Your records should be preserved for ten years from the date of submission and approval of the final payment. If any litigation or claim or audit is started before the expiration of the ten year period, the records must be kept until these actions are completed and any issues resolved.

We are pleased to have participated with you in this project.

If you have any questions or comments, please contact Madeline Rucker, of my staff, at (312) 886-7180.

Sincerely yours,

Patricia Thompson, Chief
Assistance Section
